The DeWitt Area Chamber of Commerce, with the support of the business community, will host two movies this summer. These movies will be hosted at Riverside Park, July 1st (Moana) and July 15 (Toy Story 4).

It is important to realize all organizations hosting out-of-doors movies for the public have to be licensed via Swank, Inc. The fee is based on the movie and anticipated attendance. In this case the cost of each movie and professional rental equipment to broadcast is \$825. This is based on the minimum audience category of 200 people.

Based on the costs we are offering (4) \$200 Sponsorships for each movie. Our business partners can purchase one or multiple sponsorships.

Sponsor logos will be included on all marketing materials, Chamber Website, and Facebook Page. Sponsors will also be invited to set up a booth or activity at the movie they sponsor to promote their business.

The movies selected are based on our past "Movies in the Park" experience where the audience consisted mainly of families with young children.

Please Note: we are only trying to cover the actual out of pocket costs for running the movie. This is not a fundraiser for the Chamber. The Chamber is covering all marketing and other costs associated with these events.

If you would like to sponsor please complete the Sponsor Request Form and return to the Chamber with your check.

Thank you!
